

G&G Animals Wildlife Rescue & Educations

Day 13

4/8/2020

Name: _____

Grade: _____

If you would like us to share this with your teacher so they know that you did it, please let us know your school and teacher name and we will send them an email letting them know you completed it!

School: _____

Teacher: _____

As we are talking see if you can fill in the blanks. On Friday, take a picture of the whole weeks' worth of sheets filled out and send it to us on Facebook, then we will send you a certificate and a point that is you can redeem at G&G Animals trading post.

- 1) **King snakes get there name from the fact that, if given the chance, they wil _____ other snakes.**
- 2) **Snakes have two lungs, but one is vestigial, meaning they don't use it. The only one they use is on their _____ one.**
- 3) **King snakes kill by using _____ .**

Challenge: Snakes don't have legs so they us their muscles to slither around. If you have sibling, have a race otherwise see how long it takes you to go from one side to another side of a room by slithering. Remember no hands and no pulling your feet apart from each other.
